FIG.7

A diagram of a software dialog box. On the left side, there are two radio buttons. A bracket labeled '6' groups both radio buttons. The top radio button is selected (filled with a black dot) and is followed by the text 'FIXED VALUE'. Below this, there is another 'FIXED VALUE' label followed by a rectangular text input field, which is pointed to by a line labeled '7'. The bottom radio button is unselected (an empty circle) and is followed by the text 'ACQUIRE FROM FILE'. Below this, there is a 'FILE NAME' label followed by a long rectangular text input field, which is pointed to by a line labeled '8'. At the bottom right of the dialog box, there are two buttons labeled 'OK' and 'CANCEL'.
